

Primary BYOD Golden Rules (Years 4-6)

1. We should only use our devices when the teacher gives us permission to do so.
2. We shouldn't play games on our devices unless it is part of the lesson.
3. We should be respectful and kind towards others when we use the devices.
4. We should not take or upload photos or videos without the teacher's permission.
5. We should take care of all the devices in our class.
6. We should bring our devices charged every day and take them home every day.
7. We should always follow our teacher's instructions when using our devices and only connect to the school wifi.
8. We should turn our devices off when not in use.
9. We should not use our device to contact others via any form of messages, inside or out of the school.
